Subject: Study on Credit Bureaus Handling of Disputes

I have several complaints about the credit report system. I am only writing about one at this time. I have contacted a reporting agency about inaccurate information about me and some of my credit card accounts. This has been a couple of months ago and I have yet to hear from them and my credit report remains the same. It is as if these agencies can do what they want and not have to answer to anyone. Thank you and God bless.
